ROSWELL

State

GA

ZIP Code

30077

The Column B will NOT accurately align with a carry forward beginning balance from the previously filed April 2022 Quarterly. Notwithstanding, in response to the RFAI, we will amend the April 2022 Quarterly which will bring the Column B on this July 2022 Quarterly into balance. We are transitioning to a different thrid-party filing platform and working on the transaction ID integration to amend.
